# Beyond Our Walls

As Christian men, it is very easy to live our lives in a safe, comfortable manner. We are used to doing things our own way. We have put up walls to keep our routine and our schedule pretty straight-forward and ordinary. The problem is the walls we erect often do not allow us to grow in Christ and serve him in the way that he wants us to.

This Men's Retreat will help us grow in two major ways. First, with the Lord's help, we will begin to identify some of the walls in our own lives that need to be removed in order for us to have a deeper relationship with the Lord, which he so desires for us. Second, we will develop a greater understanding of the areas in which the Lord wants to use us, and be willing to respond to the call "Beyond our Walls."
