

Vineyard Church Greater Portland Co-Op Waiver

Families agree not to hold the co-op liable for any damages you and/or your child(ren) may suffer.

We have created this informal homeschool co-op with likeminded homeschoolers. We are not a formal public, private, or charter school. Therefore, we are able to honor each other's medical freedom regarding immunizations or other mandates the State of Maine imposes upon its children and families that attend formal schools

I understand and agree to all of the above information regarding the Vineyard Church Greater Portland Co-op.
